DOES THE FOUNDERS PLACE CONDOMINIUM ASSOCIATION HAVE A COMMUNITY BENEFIT FEE?

Yes, all real estate transactions in Founders Place are subject to a community benefit fee equal to 0.50% of the purchase price. The community benefit fee will be provided to the Founders Place Community Benefit Foundation ('FPCBF'). that will provide one hundred percent (100%) of revenue from the initial transfers to Park City Municipal Corporation's ('PCMC') affordable housing fund. IS THERE AN HOA AND WHAT RESPONSIBILITIES DOES IT HAVE?

As an owner at Founders Place, you become a member of two homeowners associations.

Deer Crest Master Association is responsible for road maintenance, common area maintenance, common area landscaping, gatehouse staffing, community security, snow removal, operating the Deer Crest private ski trails, and the operation of future community amenities. In 2024, the annual dues per assessment unit were \$11,000; however, Founders Place is only subject to 40% of the full annual assessment, or \$4,400 on average. The specific amount assessed to each Founders Unit will be relative to each unit's allocation ratio per the Founders Place Declaration. In addition to the annual assessment funding the items mentioned above, the Deer Crest Master Association provides 1-gigabyte high-speed Internet to all residences within the community for \$60 per month (\$720 per year).

Founders Place Owners Association, Inc is responsible for the day-to-day operations of the common areas, including the interior and exterior of the Founders Place property. A preliminary estimate for the annual operating and reserve dues for the HOA has been prepared relative to other properties throughout the Rocky Mountain West ski resort communities. The estimated budget for annual dues is equal to \$1.45 per square foot per month, or \$17.37 per square foot per year. This includes the anticipated cost for both operating dues and reserve dues and is paid on a quarterly basis. A complete breakdown of the estimated budget is available for review.

WHO DETERMINES THE ANNUAL DUES?

The annual dues for the HOA are set annually by the HOA Management Committee, based on the previous actual costs and anticipated needs of the HOA. HOW CAN I PERSONALIZE MY RESIDENCE?

We offer two finish packages to buyers who purchase early in the construction process. In our experience, most buyers create a spectacular residence by selecting one of these packages then personalizing their home with furniture and art after closing. For those who wish to select finishes not included in the standard packages, we may be able to accommodate modifications. However, please note that all changes must be approved by the development team and finalized within the specified time line. If modification requests are submitted after the provided deadline, the development team likely will not be able to coordinate them prior to closing. That said, after closing, homeowners can modify their residences in accordance with the HOA's rules and regulations. We're here to help you create your dream home and are happy to discuss any questions or preferences you may have regarding finishes and modifications.
