FOUNDERS
place

I'd like to welcome you to Founders Place, a private, ski-in, ski-out luxury condominium community nestled in the Deer Crest neighborhood at Deer Valley.®

One of the great things about Founders Place is how secluded it is, even though you're just minutes away from everything.

If you love mountains, skiing, open natural space and miles of trails right outside your front door as much as I do, we're kindred spirits.

Because personally, we've always felt most at home when sharing unparalleled experiences with the whole family in a one-of-a kind place.

Come have a look for yourselves – I'd love to show you around.

-Tell them Otto sent you.

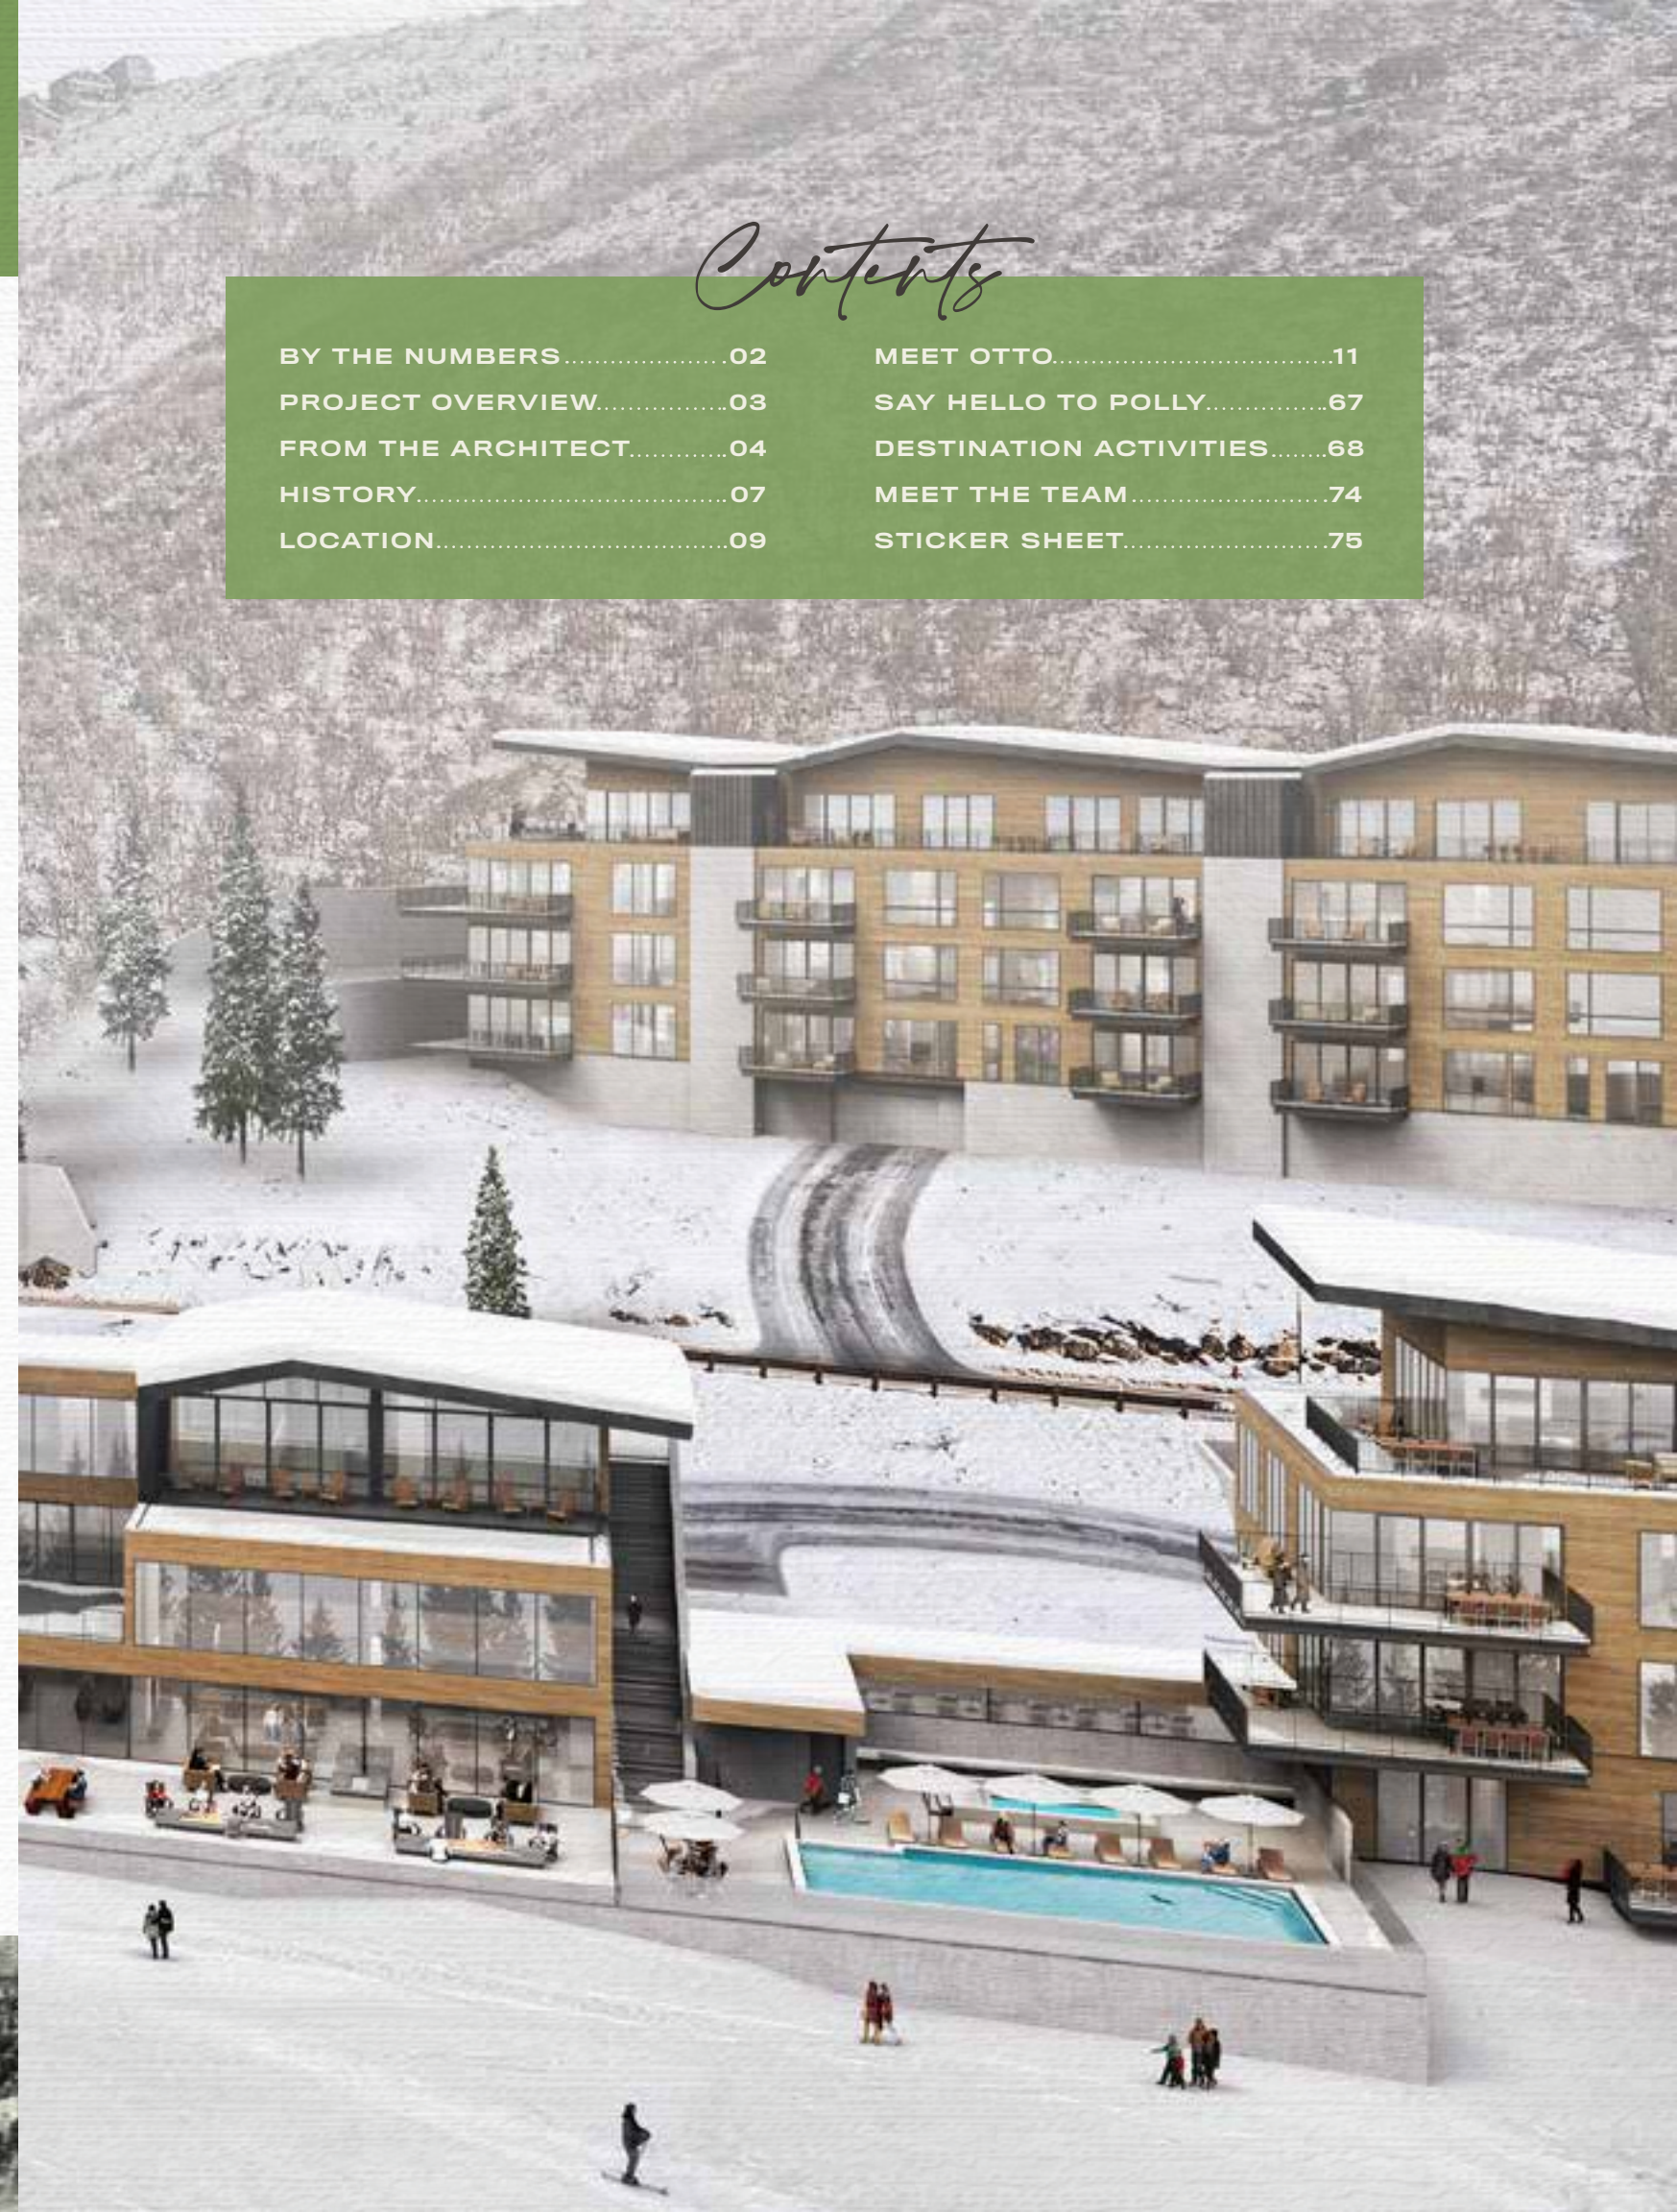

Well,
hello
there.

PROJECT OVERVIEW

“Adventure lurks outside your door.”

-Otto

Founders Place features seventy-five luxury condominium residences across four buildings with spectacular slope-side views, anchored by a state-of-the-art amenity building. Residences include two-, three-, four-bedroom residences, as well as an array of stunning penthouses. All-mountain homes will feature gourmet kitchens, open-plan layouts and oversized living areas to gather and enjoy with family and friends. Additionally, a pedestrian walkway connects The Otto to the other residences, so you can comfortably stroll from building to building in your slippers.

The residences also support sustainable design strategies including limiting the footprint, protecting the open space, optimizing the solar orientation, and targeting LEED Gold and Fitwel Certification* - Making Founders Place not only sustainable for its residences but the environment too.

*Certification is pending and not guaranteed.

FROM THE ARCHITECT

“Founders Place integrates thoughtfully into the site topography and natural environment, minimizing site disturbance, with a narrow footprint oriented with the site contours. The southern orientation of the buildings allows for maximizing daylight and passive solar design.”

HISTORY

History
does not belong to us;
we belong to it.

Nothing could ring truer at Founders Place. Our story is really the story of Deer Valley's® founders and their vision of an impeccable ski resort defined by an unprecedented level of service and an ongoing commitment to excellence. The mountains surrounding Founders Place have long been a place for people seeking hidden riches, whether it was fertile hunting grounds, gold and silver during the mining boom, or, of course, the true treasure: the amazing snow Utah is known for around the world. At Founders Place, it's our turn to add to this legacy and make some history of our own.

“This has it all.”

-Otto

Founders Place is nestled at the base of the Mountaineer Express lift in Deer Valley Resort. Located in the private, gated Deer Crest neighborhood and surrounded by hundreds of acres of open space, hiking and biking trails, and towering, snow-capped mountains, Founders Place is just 42 minutes from the Salt Lake City airport; seven minutes to Park City Main Street; a hop, skip and a jump to the iconic St. Regis; and a world away from the expected.

LOCATION

**THE DEER CREST
NEIGHBORHOOD.
PRIVATE, SECLUDED,
YET CLOSE TO IT ALL.**

The gated Deer Crest neighborhood is one of the most exclusive communities within the Deer Valley real estate area of Park City, Utah.

**"IT'S LIKE HAVING A PRIVATE SKI LIFT
IN DEER VALLEY SKI RESORT!"**

-otto

Deer Valley Ski Resort is special. Long known for its impeccable grooming, uncluttered slopes and commitment to excellence, it's no wonder it's often listed as the finest ski resort in America. And the Mountaineer Express lift is an extra-special lift. Because there is no public parking here, the Mountaineer Express lift doesn't see any ski traffic at the beginning and end of the day. So, catching the first chair and taking advantage of perfect corduroy is how the day begins, and at day's end, the only folks you'll see will most likely be Founders Place residents.

Meet Otto

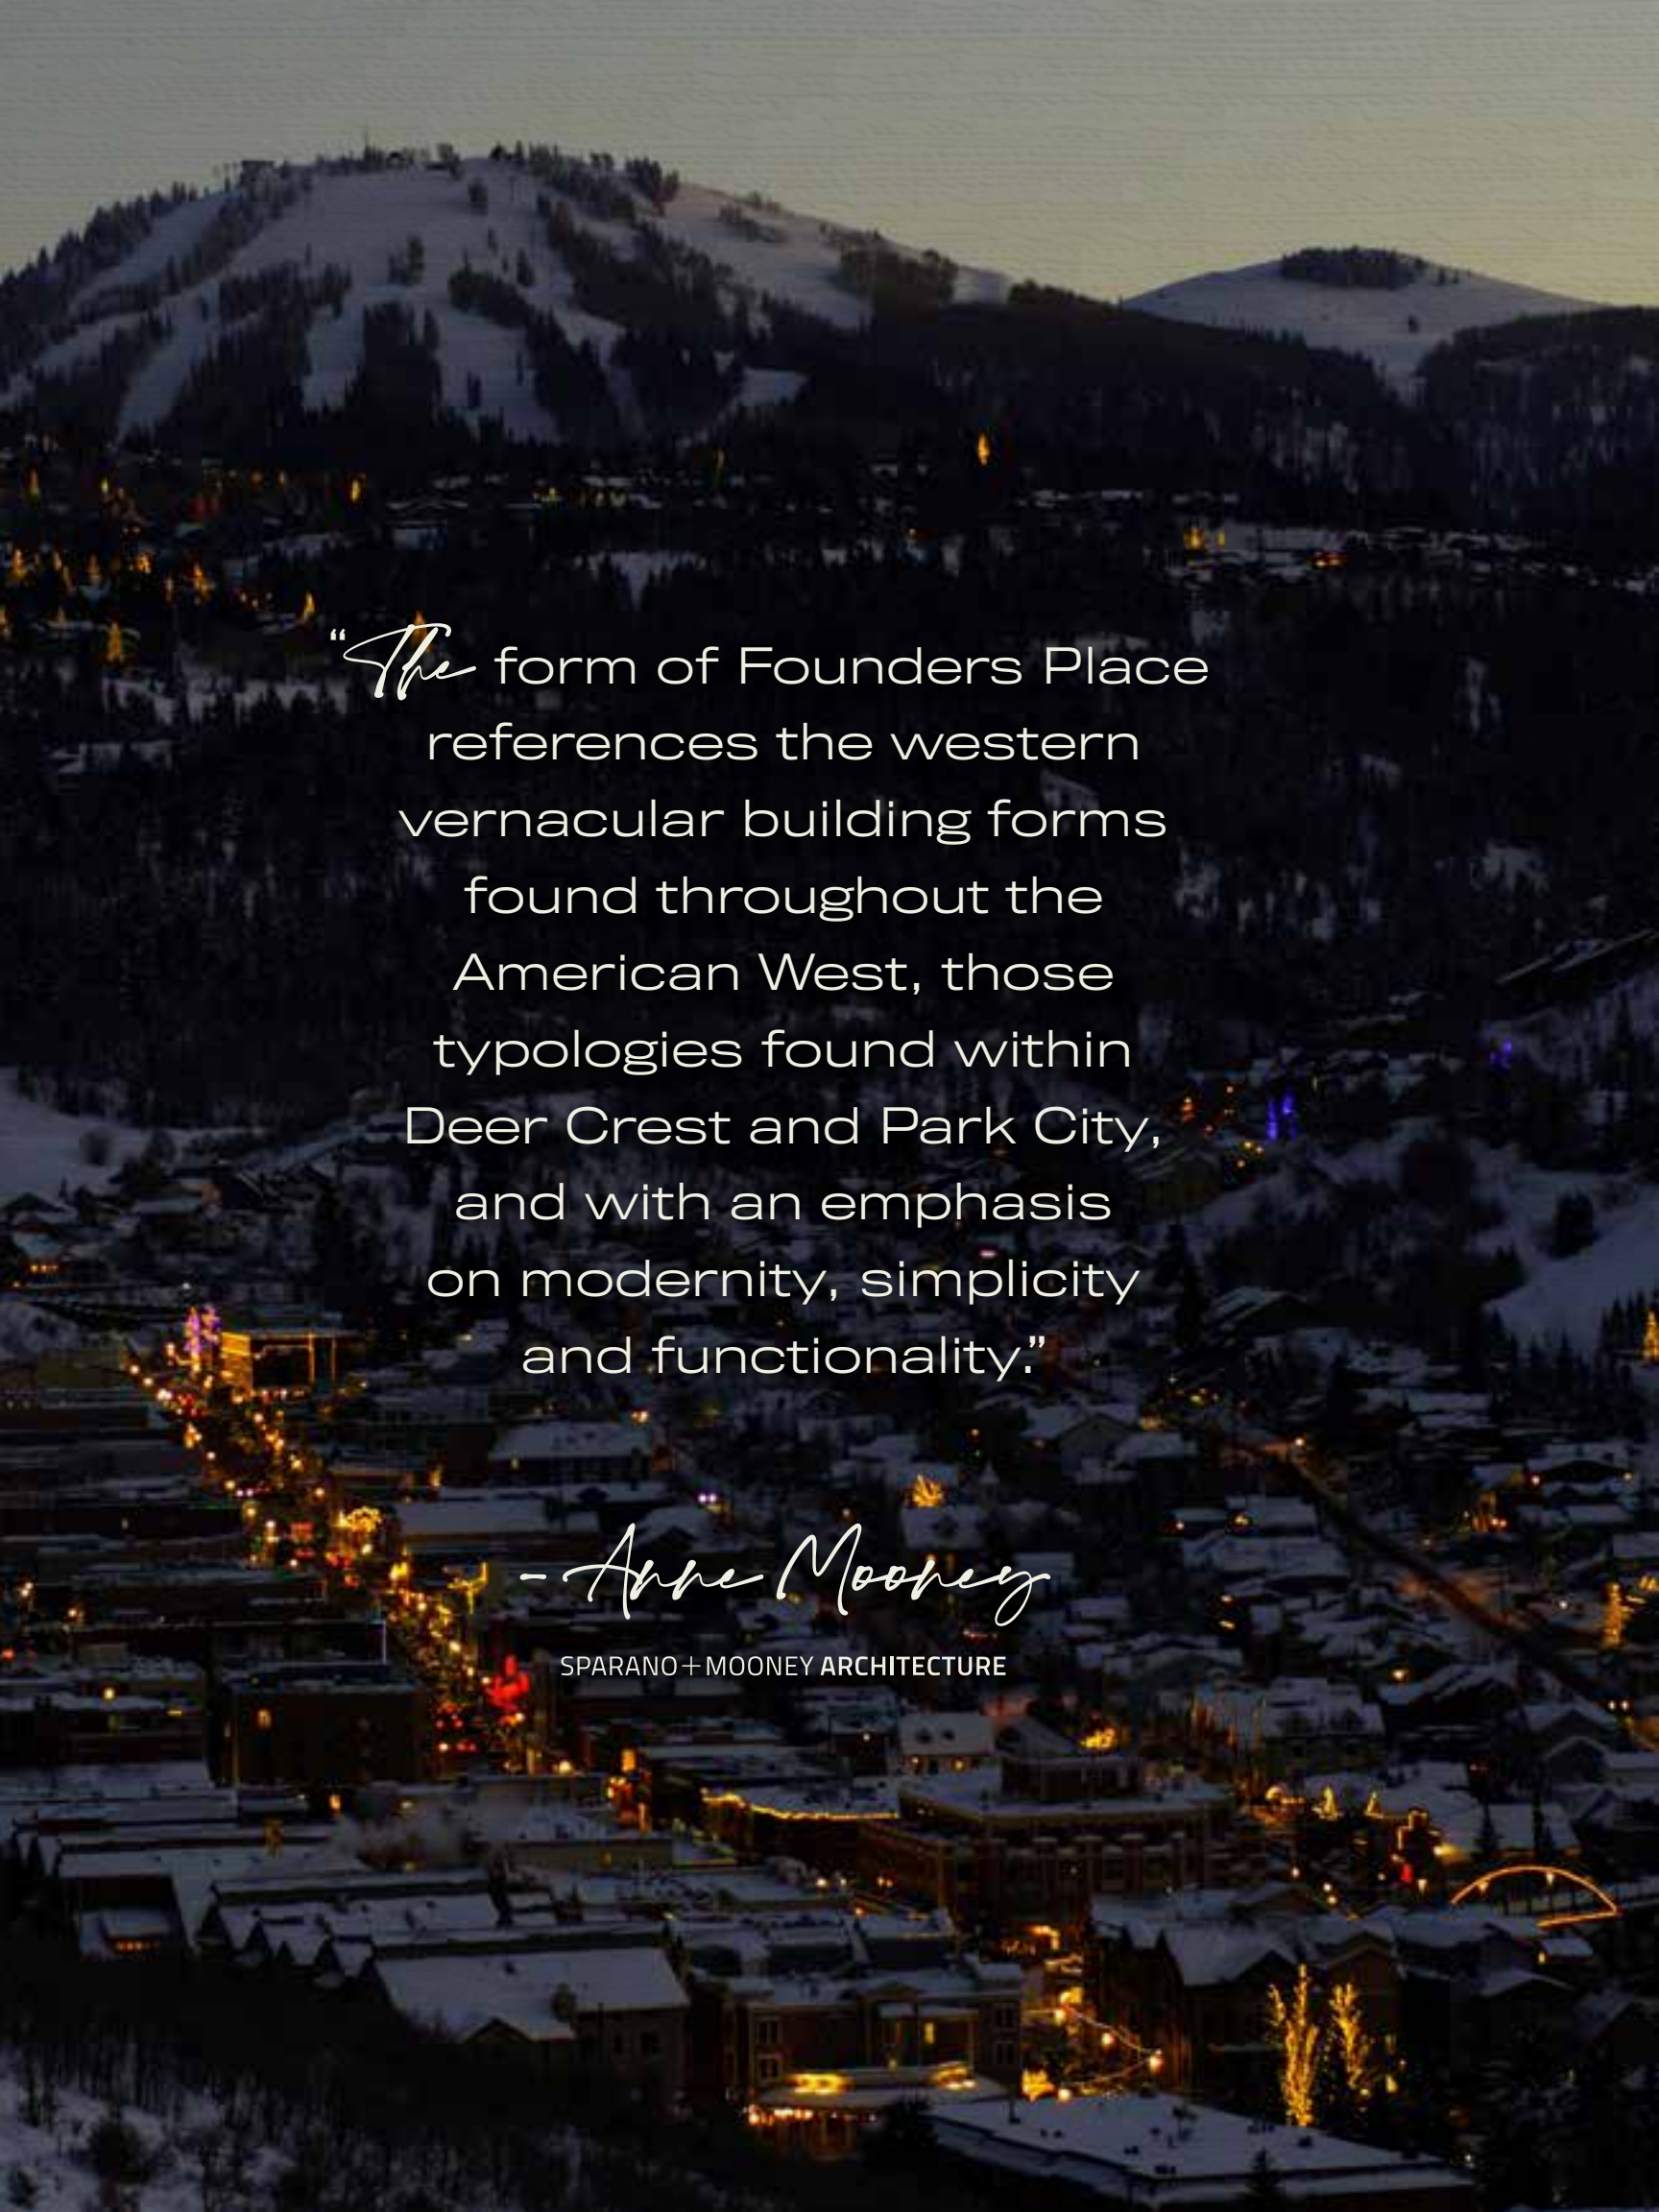

The final chapter of our community. The Otto brings 19 new exceptional two- to four-bedroom residences and five penthouses to Founders Place. With updated floor plans and even more spacious layouts, this is the ideal opportunity to find your dream home at this exclusive Deer Valley mountainside location. Founders Place owners will also enjoy the Wellness Den at the base of this new building where you can relax and recharge for your next adventure.

- 🐻 His favorite food is honey
- 🐻 Otto likes to make a crafted Bees Knees cocktail after his first spring ski of the year
- 🐻 He loves coming out of hibernation each spring

The first thing you'll notice about The Otto is that it is nestled up on hillside, offering breathtaking views. This new building also includes a Wellness Den on the first level, a perfect place to relax and recharge for your next adventure. The pedestrian bridge effortlessly connects to the amenity building, Polly, providing a convenient pathway to stroll from building to building without having to go outside. The Otto features 24 new residences, including seven two-bedroom, seven three-bedroom and five four-bedroom residences as well as five penthouse residences.

FINAL PHASE
24
EXCEPTIONAL HOMES

"The form of Founders Place references the western vernacular building forms found throughout the American West, those typologies found within Deer Crest and Park City, and with an emphasis on modernity, simplicity and functionality."

FOUNDERS *place*

You probably have a pretty good idea by now of what Founders Place is but indulge us for a moment and picture this scene. It's dusk, and the last rays of the sun are bathing the mountains in pink and purple. You've spent the day exploring Deer Valley® on skis with the family, and everyone had a heck of a good time together. The kids are now down at the pool-how they still have energy to burn is a mystery-and they'll grab dinner at the poolside grill and head on over to the game room. You and your spouse are getting ready to Uber into Park City for a five-star meal. Later, you'll all reconvene around your fireplace and share the day's adventure. Sound like a pretty good day to you? At Founders Place, every day is on par with this day. And we'd love to see you enjoying them all as part of our family.

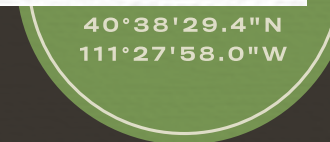

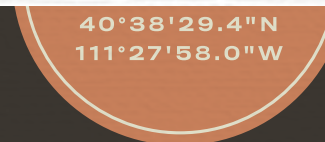

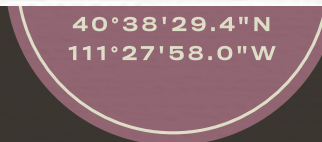

Fondly,

-Otto
